

All exhibitors in the Philadelphia Flower Show are required to comply with the following:

- **Forced plant material must predominate.**
- All exhibitors must submit a plan of their display to the Show Management for approval. Plans for the 2010 Show are due no later than September 15, 2009.
- All special effects—including audio/visual, lighting, and sound—must be approved by the Show Management by January 1, 2010, and must comply with Show rules.
- The inclusion of live persons or animals in an exhibit **must** be approved by the Show Management by January 1, 2010. Proper permits must be obtained.
- No taxidermy is permitted in any display.
- The incorporation of any partnership with an exhibitor must be reviewed and approved by the Show Management. All credit (“partnering”) signs will be uniform in size and style and will be provided by the Flower Show. All credit sign copy must be submitted to and approved by the Show Management by **January 1, 2010**. Late requests will be accommodated only if possible.
